DOMAINES
ALBERT BICHOT
MAISON FONDÉE EN 1831

Domaine Albert Bichot, Burgundy, France
Maison Albert Bichot have been making wine in Burgundy since 1831. Sometimes that sort of tradition can lead to complacency but, under the dynamic sixth generation stewardship of Albéric Bichot since 1996, the drive to make the finest wine possible has never been stronger. With established connections with top growers and substantial vineyard holdings in Chablis, the Côte de Beaune and Côtes de Nuits, they have access to the many of the best grapes in the region. I am always proud to show their wines, especially because they are just as enjoyable in their youth as they are with a few years of age"
Richard Bampfield MW

BALFOUR
HUSH HEATH ESTATE
KENT-ENGLAND

Balfour Winery, Kent, England
Since 2002, Balfour have been at the heart of the growing English Wine industry- winning National and International awards, and the acclaim of sommeliers and wine experts to become one of England's most respected wine producers.

CHAMPAGNE
Laurent-Perrier
MAISON FONDÉE
1812

Laurent Perrier, Champagne, France
Laurent-Perrier is celebrated for its particularly fresh, elegant and pure style. A high proportion of Chardonnay and an extended aging period lends the wine its signature finesse and balance. La Cuvee is made entirely from the first, more gentle press to retain purity and aromatics. The wine is aged in cellars for
a minimum of four years, creating a delicate and complex Champagne.
